Two World Views

Without using the Standard of Scripture as your philosophy of life, and your world view, the chance of being wrong is near **100%**

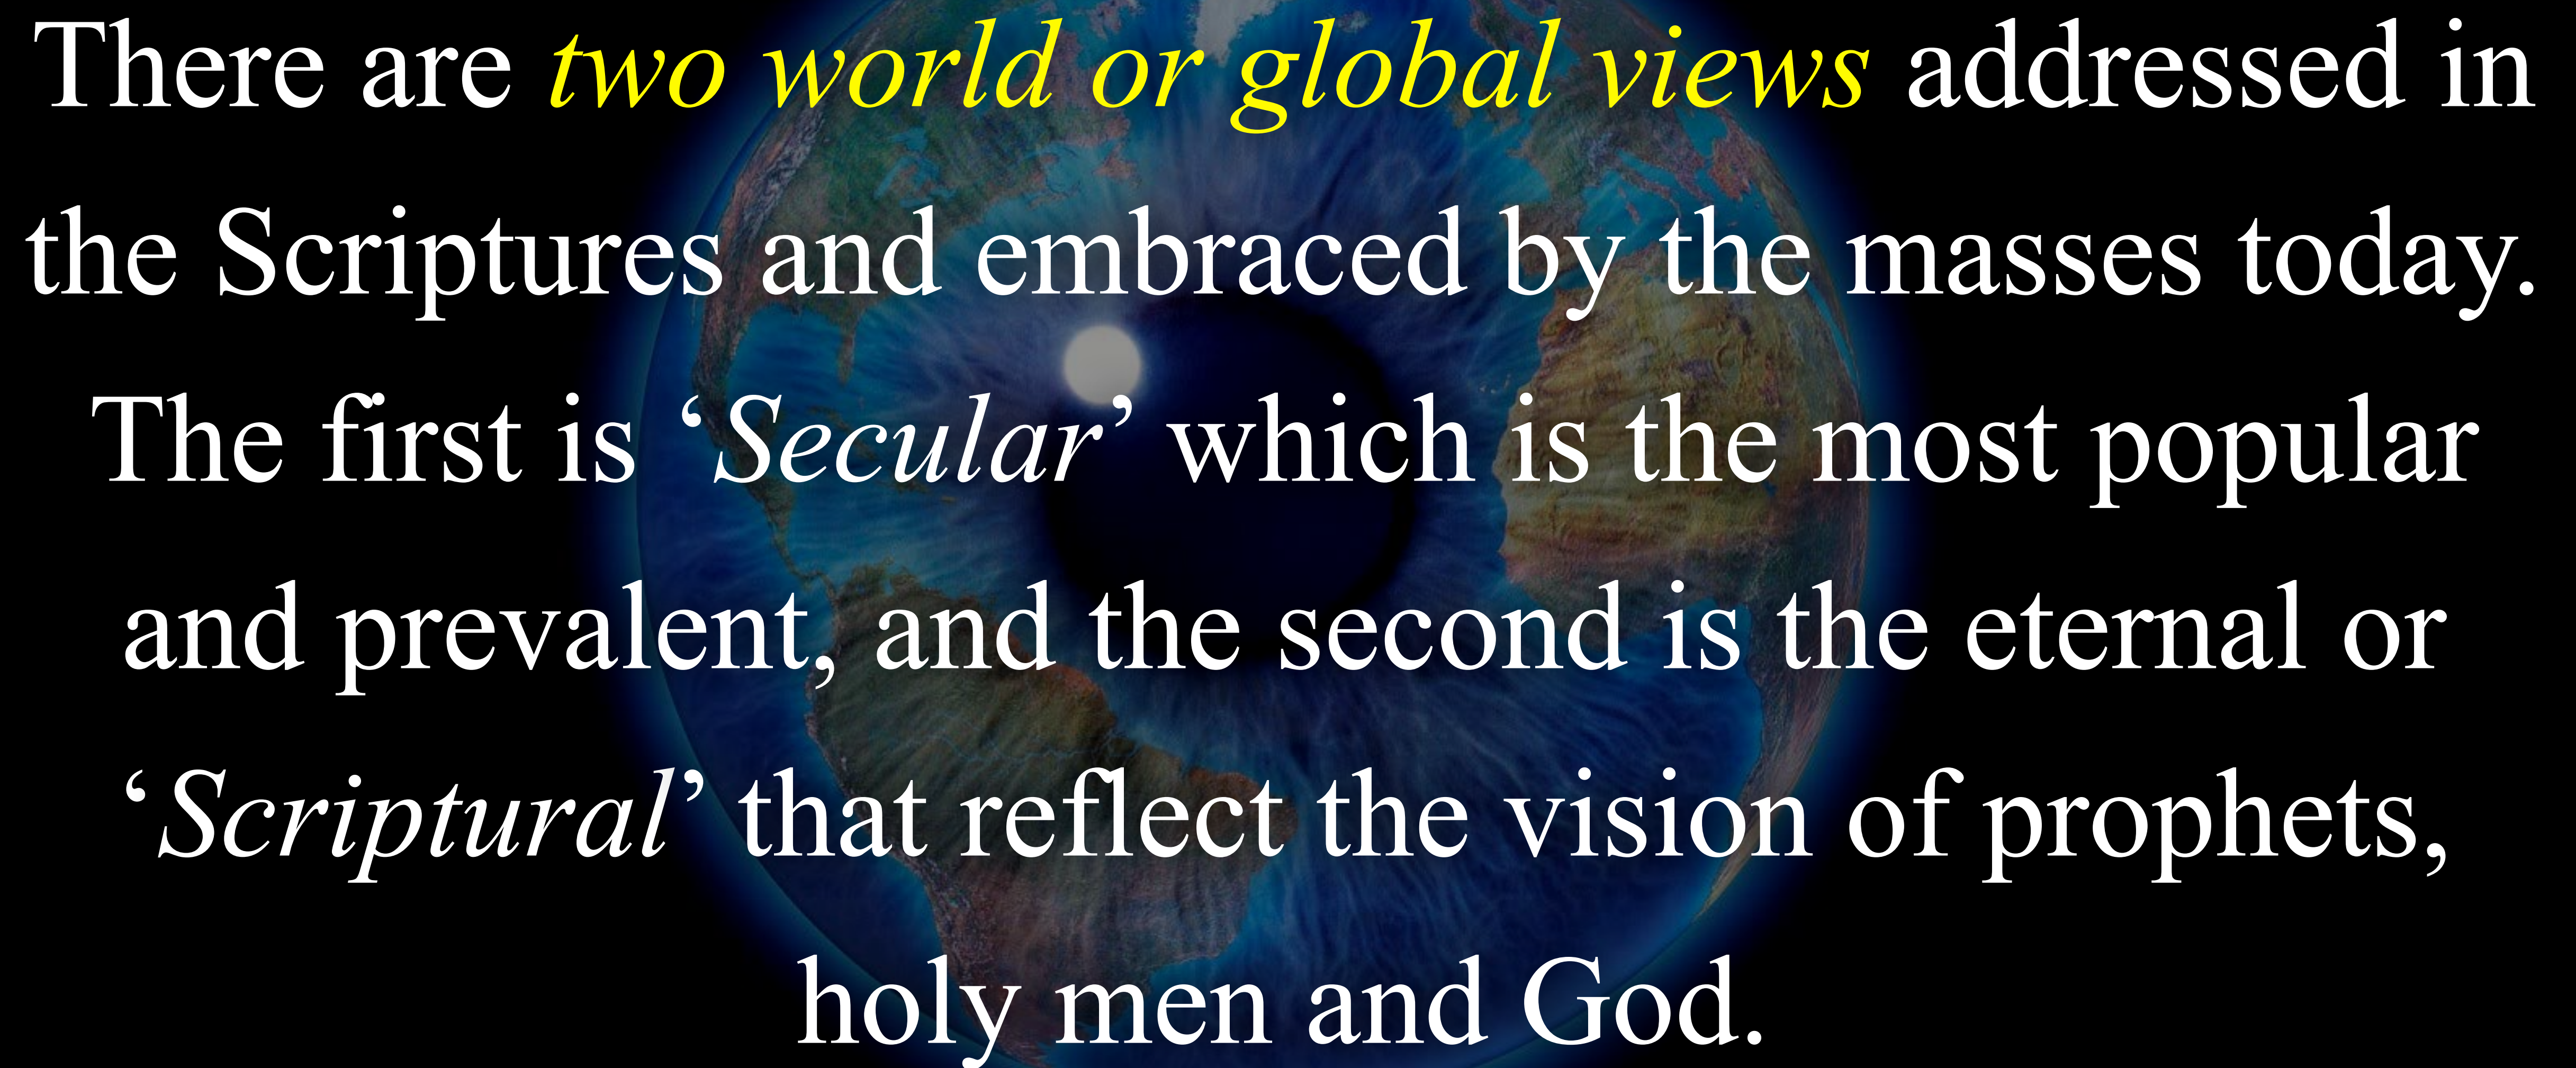

Hugh Nibley once came to class excitedly and announced that he found two mistakes in The Book of Mormon. He said ‘twice it states that mankind is carnal, sensual, and devilish.’ Brother Nibley then said that the prophetic authors forgot to include one more adjectiave in the list:

“STUPID”

There are *two world or global views* addressed in the Scriptures and embraced by the masses today. The first is ‘*Secular*’ which is the most popular and prevalent, and the second is the eternal or ‘*Scriptural*’ that reflect the vision of prophets, holy men and God.

When it comes to the subject of ‘Religion’ and ‘Politics’ the Standard Works of scripture should be the source one relies for answers. Likewise, the scriptures should be the eschatological source to understand the events (spiritual, temporal and political) that lead up to the Second Coming. The political and religious nature of men and nations can be seen in history and therefore predicted in the present and the future because ‘*the nature and constitution of man hasn’t changed since the beginning*’ (TPJS) and the “natural man is an enemy to God and always will be..”

Secular History has two Political Bookends

Anarchy and Tyranny

Anarchy: is freedom without order

Tyranny: is order without freedom

Secular History has two Political Bookends

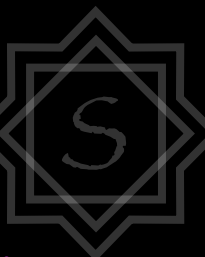

Anarchy and Tyranny

Anarchy: is freedom without order

—democracy—

Tyranny: is order without freedom

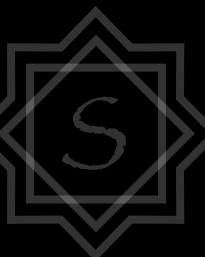

Democracy under the inspired Constitution and Bill of Rights, is written to provide both freedom and order, to the *individual* without infringing on the same rights of others

God is a God of Order and a God of Agency

The only Perfect Order is “Under God”

Theocracy is a Perfect Order with Perfect Freedom

Without the personal reign of Christ:
the closest government to a “theocracy”
can only exist, under a reign of judges,
where the laws are based in the
commandments and principles that come
from God and the scriptures

A Perfect Order with Perfect Freedom

The advent of Christ and His millennial reign comes about because of the conflict between these two world views. The spiritual survival of the individual based in faith and the *A-moral* secular and political environment.

The 'Second Coming' initiates the eventual amalgamation of 'religion and politics'. The separation of church and state will eventually come to an end as the spiritual world view comes into focus as patterned in 4th Nephi.

The Second Advent of Christ will combine civil and religious life together for those of one heart and one mind. Even with this common knowledge of the millennium; **the historical and political narrative of the *scriptures* are completely overlooked.**

Scriptural history records that the influence of political policies and platforms will become a major cause of the spiritual decline that escorts the events and desolations of the last days.

Governments will either protect our faith, families, and freedoms or they will seek to restrict and eliminate them.

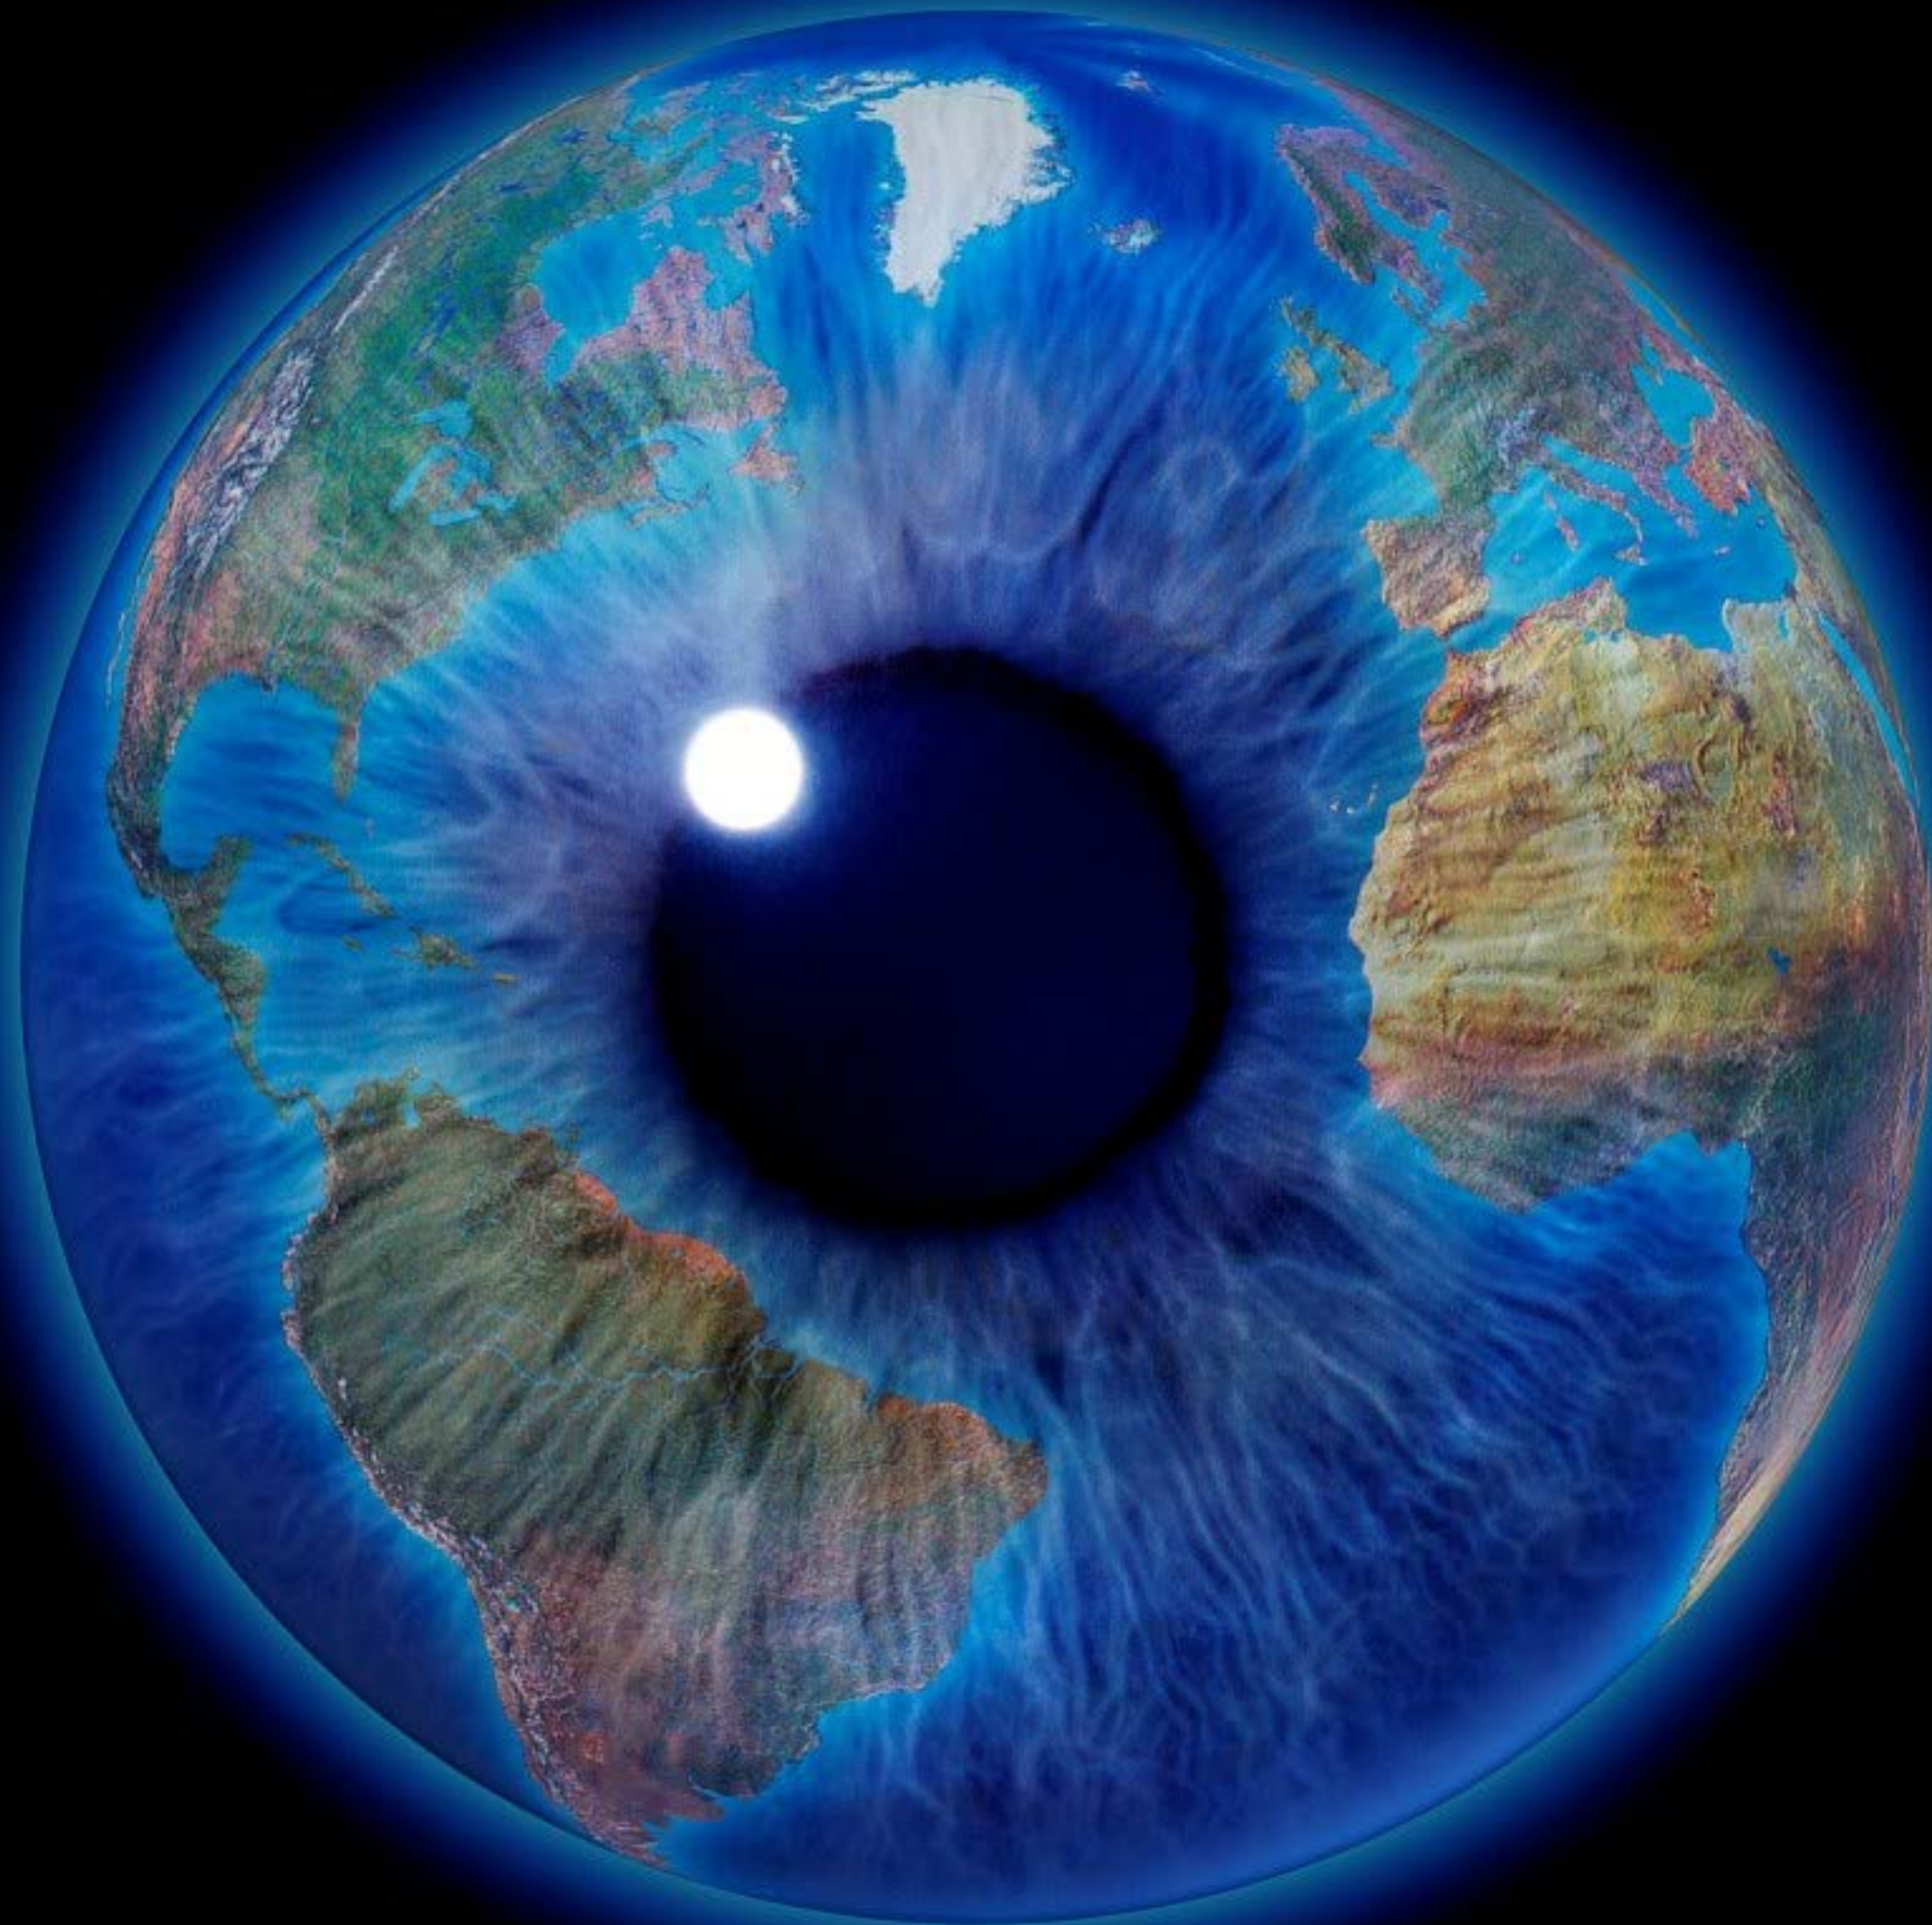

In the minds of many members and non-members, there is a total '*disconnect*' between scripture and life in general, especially political philosophy. *(TWW)*

The secular or temporal concerns usually supersede the scriptural and spiritual anxieties in all faiths.

It is thought by many that the historical political content found throughout scripture is predominantly just that: *historical content* rather than *insights provided by God through prophetic inspiration*.

The Two World Views

Secular World View

Scriptural World View

4% / 9%

The 'disconnect' from scripture is because the *Secular World View* is embraced by the masses. The secular view either ignores or seeks to change the moral injunctions found in scripture that pertain to a temporal environment. This is done by negating God's commands that are based on eternal concepts that pertain to the plan of salvation and happiness.

These spiritual concepts are rejected because
scriptural doctrines and principles project

eternal investments

found in scripture, rather than

earthly enjoyments.

For example one must ask the terrible questions that might *separate the secular from scriptural world views*, such as:

Is abortion condoned by God and scripture?

Are alternate lifestyles such as adultery, same sex relationships or fornication acceptable?

What about socialism in the political arena?

Is the cancel culture or silencing opposing ideas congruent with the nature of God?

True Freedom of thought and the difference between a real education and social or secular manipulation, requires two mental attributes. These are intimately connected to a mental and spiritual free agency and the ability to recognize eternal truths, they are:

Discrimination

Distinction

One must be able to **Discriminate** between **values**: Good, Better and Best.

And be able to **Distinguish** between **morals**: good or bad, right or wrong, truth or falsehood.

Discrimination & Distinction

The *Secular World View* embraces relativism and humanistic teachings which eliminate both of these attributes through intellectual manipulation. This Satanic world view seeks to blur or even blind our minds to essential and eternal truths, until there is no distinction between right and wrong, or between commandments of God and desires of man.

Discrimination & Distinction

When there is *no Discrimination or Distinction of eternal truths* all that is left is *money and power*.

The goal of money and power is always more
power and more money.

Discrimination & Distinction

The secular world view destroys faith

—*turning scriptural sins into civil rights*—

This was the goal of Korihor and the philosophy of:
Anti-Christ

When this world view is embraced it

turns scriptural sins into civil rights

destroying faith and

subtly eliminating religious freedoms.

When sins become civil rights, the political morality is taught in public or government run schools as law. This will determine the accepted theology of the rising generation.

This is why Karl Marx, Hitler and other socialist leaders did not want parents to have any control over the education of the youth

A “*standard*” is necessary in all disciplines and all learning.

The *morality* of those with a *Secular World View* will always **determine their theology.**

The **morality** of those with a *Scriptural World View* and theology is **determined by the Standard.**

Without a Scriptural Standard there can be no righteous
Discrimination or Distinction

The Protective Arm of the Lord is Withdrawn

When the moral decay becomes so great that the choice to do good is extinguished in the culture and political environment:

When **Discrimination & Distinction** are eliminated

“Agency” ceases to exist

‘Without agency there is no existence’

Every Birth, Life and Death is
filtered through the fingers of the
Foreknowledge of God

If eternity exists then there is a pre-earth life, If there is a pre-earth life, then there is a plan of progression, if there is a plan of progression, then there is a purpose for life, if there is a purpose for life, then there is life after death, if there is life after death, then there is a God.

All spirits should be prepared for two key events

Life after our Birth.

Life after our Death.

As George Barna has shown in his research and surveys over the past 6 years, a person's worldview, be it secular or scriptural, is most often in place by the age of 13.

The research showed that there are 6 key questions that should be understood or known by the youth before their world view is set

1. Who am I?

To be made in the image of God means we are set apart from the rest of creation, “a little lower than the angels,” as in Psalm 8. Grasping this scriptural perspective, of being a child of God helps youth see their essential worth in a new light.

2. How does the media influence me?

Given the amount of media teens are exposed to by the time they turn 18, educators (at home and in church) must also help students comprehend (1) how it influences them, (2) what their vulnerabilities are and (3) how to discern the world-views behind the media.

3. What is my identity?

When youth see their physical selves as God's masterpieces (see Eph. 2:10), they see themselves as God sees them. Ultimately this allows them to pursue their place and purpose in society and creation, having an others-centered orientation and developing a genuine charity and love for the poor and those in need.

4. Where did I come from?

Teachers must play a key role in demonstrating how faith and science are not mutually exclusive. Acknowledging that God created the heavens and the earth, and us in His image, Religious educators can reinforce and encourage students' faith through the *purpose of creation*.

5. **Where does my creativity come from? (Why am I here)**

Parents and teachers should expose their youth to the origin of communication and the arts—particularly as talents are provided by God. By understanding that creativity comes from God, they should be encouraged to use their gifts and talents in the work of God.

6. **How should I view others?**

Self-worth crumbles when we view others or ourselves as less than we are in God's eyes. To help youth understand the devastating effects of passive-aggressive, sexual and mean-spirited social media, and the significance of not viewing others as children of God, spiritual teachers must give them a framework to be loving, kind, gentle, forgiving and others-centered—nurturing them to be much-needed culture-change agents in their generation.

Religious doubt, by its very nature, leads to both a stronger belief in something and unbelief in something else. Therefore, the question is not whether doubt will lead to unbelief, but which beliefs will be strengthened and which beliefs will be rejected.

Doubt can lead to a strengthening of one's beliefs that Jesus is the Christ and the only way to the Father. Today the accepted theology is a pluralistic view of the road to heaven eliminating differences and doctrines and the negating of scriptural perspectives and morals.

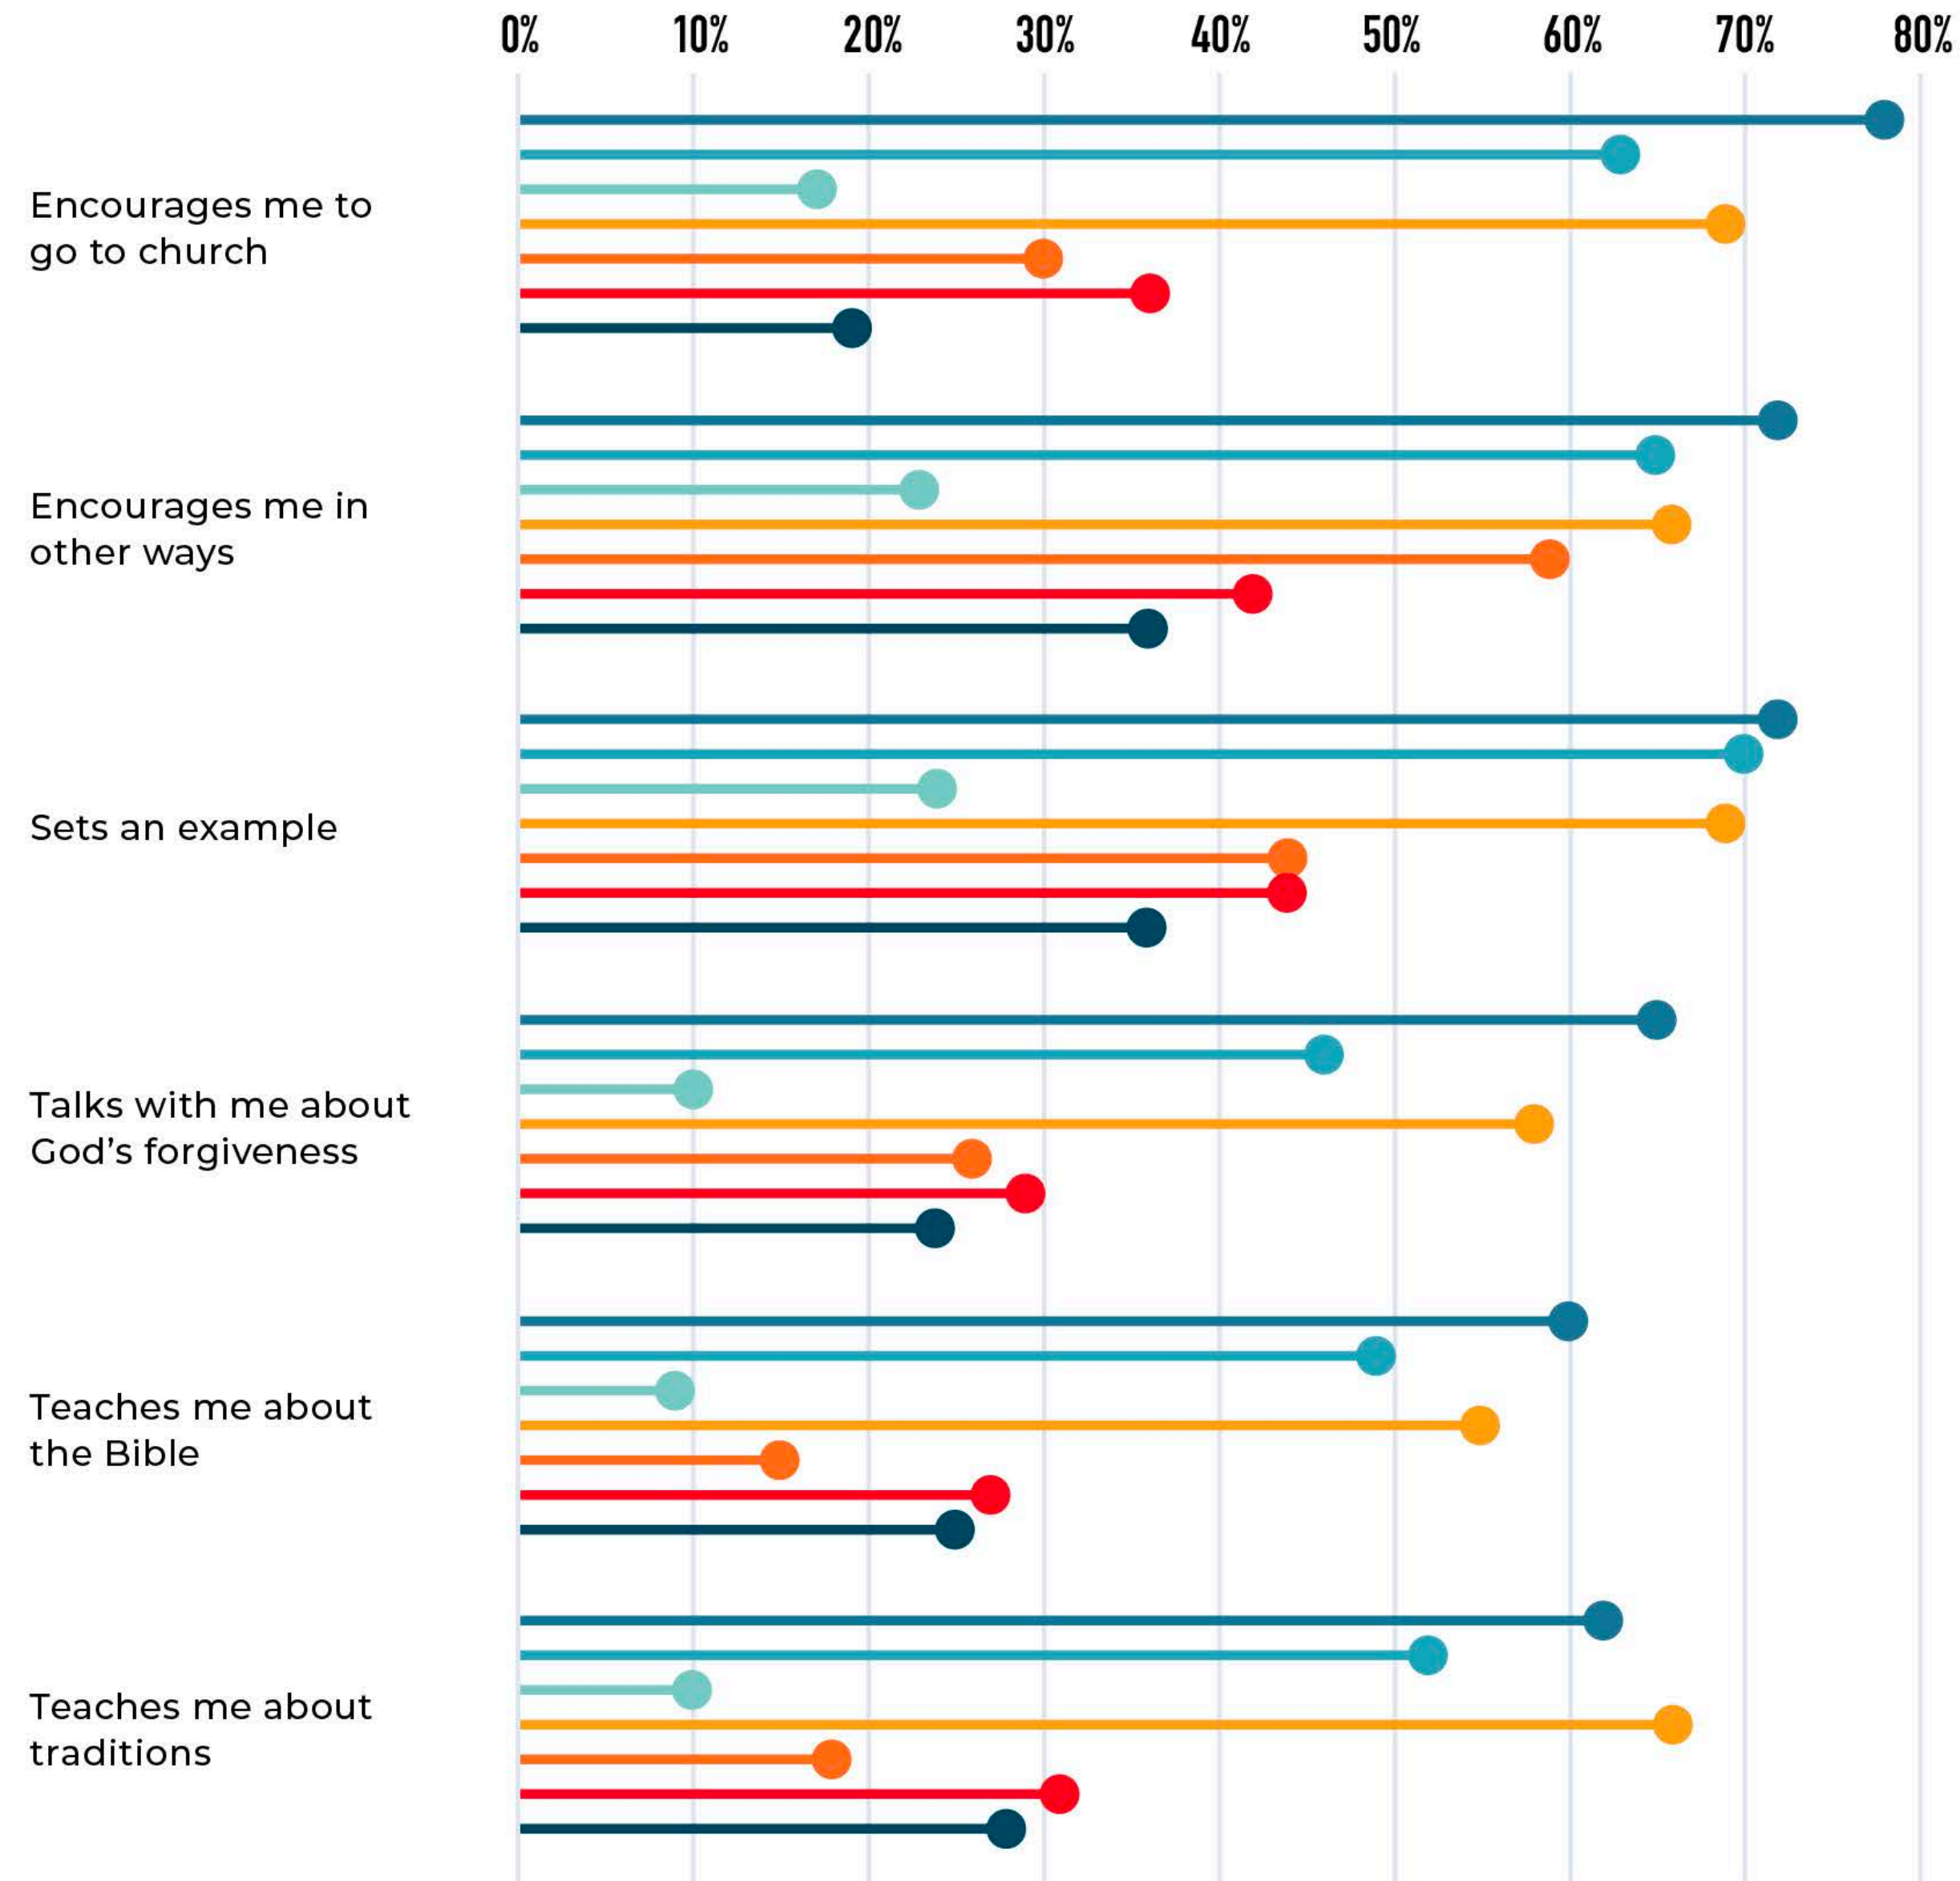

Doubt is not the enemy. It is inevitable. And it is important to understand that humans cannot live in the state of doubt forever. They find a way to resolve the doubt by accepting an answer that satisfies the doubt or question. That answer, be it true or false, will either strengthen the core belief or reject it for another one. They naturally seek sources to help them process and resolve doubts. They turn first to sources that are seen as safe and knowledgeable in the area.

WHERE TEENS RECEIVE SPIRITUAL GUIDANCE AND ENCOURAGEMENT

Barna

% of teens who say this member of their household or extended household does the following to share about their faith

◆ Mother ◆ Father ◆ Sibling ◆ Grandparent ◆ Friend ◆ Other relative ◆ Other non-relative

The youth will always turn to those that they trust for answers to their doubt.

47. ...they did not fear death; and they did think more upon the liberty of their fathers than they did upon their lives; yea, *they had been taught by their mothers, that if they did not doubt, God would deliver them.*

Alma 56:47

48. And they rehearsed unto me the words of their mothers, saying: *We do not doubt our mothers knew it.*

Alma 56:48

21. ...yea, and even according to their faith it was done unto them; and I did remember the words which they said unto me *that their mothers had taught them.*

Alma 57:21

In today's political and religious environment, the only thing that can hold the mental and moral integrity and a spiritual testimony together, that can prepare an individual for Life and for Death is:

Their Faith in God, and a Knowledge of Truth.

Without faith there is no eternal perspective.

Without truth you are left to believe in a lie.

When faith and truth, right and wrong, good and bad are eroded away by *the wrong world view*, or education, only skepticism and doubt is left. When this happens the *Secular World View* replaces Gods laws and eternal truths with mans opinions, traditions, fears and emotions. This is Satan's subtle way to establish the false truths of a secular world and social acceptance that lead away from God.

Today, *faith and religion*, in a very subtle way, are the headliners on the political stage and platforms, as well as in the courts.

The line between the separation of church and state blurs as governments and 'political correct' venues seek to control moral and religious thought. This they do through public (government controlled) education at all levels. Political controlled morals blind the minds of youth, turning religious immorality, sins and transgressions into civil rights that extinguish the freedom of religious thought and belief.

The institutions of learning, from kindergarten to college, now have the power to determine what religious morals may or may not be accepted. This **Secular World View** is found in the teachings and arguments of Korihor, in Alma Chapter Thirty.

Korihor's Secular World View in Alma 30

17. And many more such things did he say unto them, telling them that there could be **no atonement made** for the sins of men, but **every man** fared in this life according to the management of the creature; therefore **every man** prospered according to his genius, and that **every man** conquered according to his strength; and **whatsoever a man did** was **no crime**.

(Foundational Thoughts that create a Secular World View)

18. And thus he did preach unto them, *leading away the hearts of many, causing them to lift up their heads in their wickedness, yea, leading away many women, and also men, to commit whoredoms—telling them that when a man was dead, that was the end thereof.*

To lead people away from the Scriptural World View

The spiritual or **Scriptural World View** looks beyond this life, providing a *purpose of mortality-for immortality* confirming that *Death is an event we Live through* and that an individual will be judged by the works manifested by and in their character.

The Past, Present and Future

The future of humanity was outlined in one verse in the Garden of Eden

And I will put enmity between thee and the woman between thy seed and her seed; and **he shall bruise thy head, and thou shalt bruise his heel**

Moses 4:21

This verse sets the foundation of the World's Existence

All of it, all History and Daily Life: Is nothing more than the details of the Battle that rages between the establishment of the kingdom of Satan and the Kingdom of God, The battle between spiritual Babylon and Zion, between Exaltation and Damnation.

From Adam to the End of Time

Your view, your philosophies, the lens through which you view life, *secular or scriptural*, will determine your understanding of truth and your destination in the eternities.

The battle between God and Satan, between good and evil, between Babylon and the establishment of Zion began in the pre-earth council and continues on earth. The **Scriptural World View** reveals to the mind of the individual, that our own personal life falls into the context of that same battle.

Likening the Scriptures

Many individuals fail to realize that the spiritual and political successes and failures of antiquity and scriptural history should be applied to current thought and events.

Not so much the details, like names and places that are found in antiquity, but the hearts and thoughts of the leaders and the people involved.

Likening the Scriptures

Some of the most important aspects of scriptural history are the consequences that follow the actions and choices that are made by three different groups described in sacred writ, and history

The Three Intrinsic Messages of The Book of Mormon

Contains a Fullness of the Gospel of Jesus Christ

Record of a Fallen People

Deed Restrictions (CCR's) to the Promised Land

Why do we have multiple scriptural and historical records of fallen nations? Because the *'nature and constitution of man hasn't changed since the beginning'* (Joseph Smith) Therefore, **the sins of Israel** (those who know the gospel) **are the sins of Israel** in every dispensation and every generation.

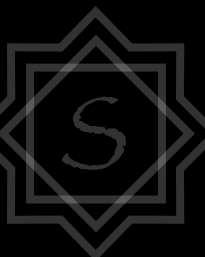

EVERY dispensation and EVERY generation!

For this reason, scripture contains the necessary information for the spiritual salvation as well as the temporal and political salvation of mankind.

Because **The Deed Restrictions** found in
The Book of Mormon are connected to
the land itself.

**The Book of Mormon
becomes a
Political Text for the Promised Land**

“But that can’t happen to us” was the infamous cry of the *masses* before “God shut the doors of the Ark”.

The same cry was heard in Judah before the Babylonian captivity.

It was echoed on another continent by the Nephite and Jaredite nations who were living on “The Promised land” prior to their destruction.

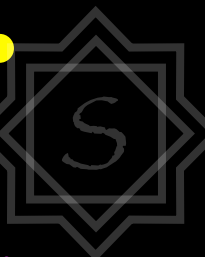

Nephi warns of the sign of apostasy among the saints of the Latter-days who will voice that same thought in the words:

‘all is well in Zion yea, Zion prospereth’

The scriptures record the reasons why these nations came to an end. They describe the character of the *leaders*, *mass* morals, and *individual* sins that led to the abomination that caused the desolation.

The Second Coming
is a result of wickedness not righteousness.

When you learn to have a *Scriptural World View*, Scripture becomes an extraordinary time machine which allows one with “*the eyes to see*” the ability to look back in time in order to see the future.

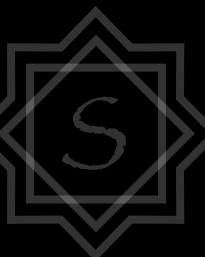

Those who don't study history are doomed to repeat it. Yet those who do study history are doomed to stand by helplessly while everyone else repeats it.”

When you really begin to understand The Book of Mormon it will become the most frightening book you will ever read

The Miracle of Creation

Scriptural World View vs Secular World View

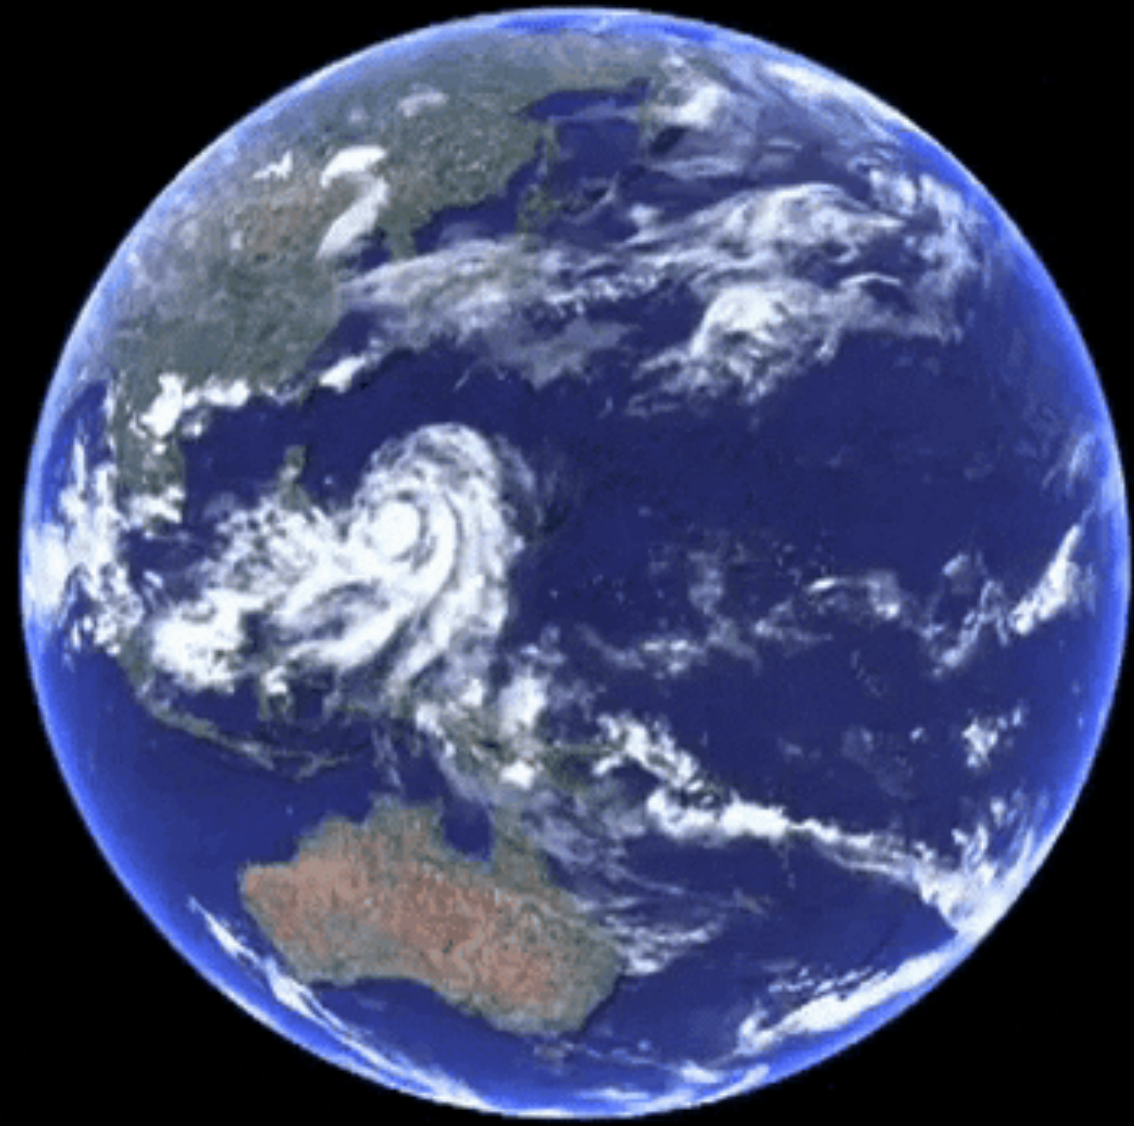

Isa 45:18.

18. For thus saith **the Lord that created the heavens**; God himself that **formed the earth** and made it; he hath established it, he created it not in vain, *he formed it to be inhabited*: I am the Lord; and there is none else.

1 Nephi 17:36

36. Behold, **the Lord hath created the earth that it should be inhabited**; and he hath *created his children that they should possess it*.

Every 24 hours planet earth makes a 360 degree spin at **1,000 mph**

At the same time the earth is moving through space around the sun at the speed of **67,000 mph**.

Like Superman, that is faster than a bullet, and 87 times faster than the speed of sound. On a day you do nothing but set on your porch, you have traveled 1.6 million miles through space. Now that's a miracle.

Even when your doing nothing
your moving pretty fast

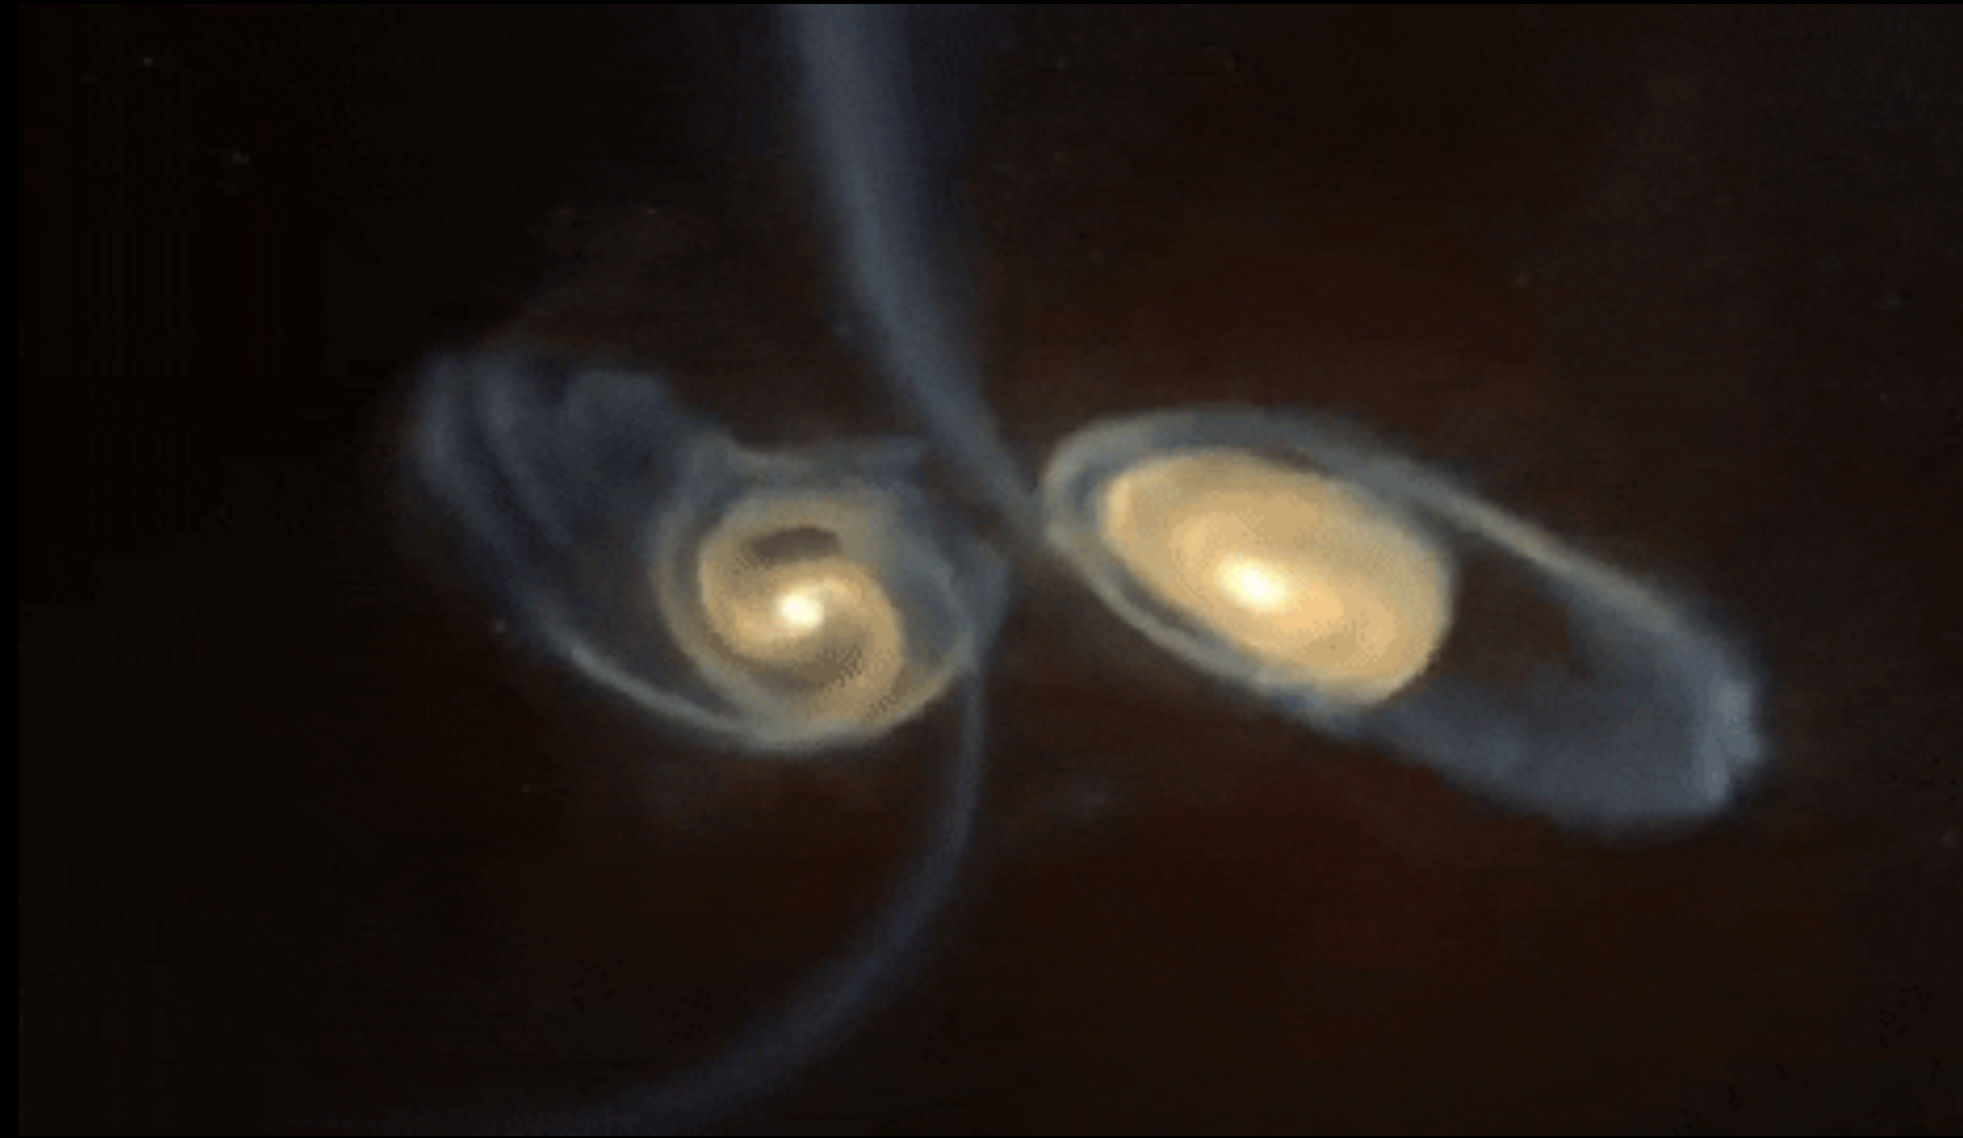

Our solar system is traveling through space in one arm of the rotating Milky Way galaxy which is rotating at a speed of **448,000 mph**. Even at this rate it would take 230 million years to make one rotation.

So here is our speed
through space within our
galaxy: 1,000 mph
rotation + 67,000 mph
around the sun and
448,000 mph in the
galaxy that's at the slow
speed of 516,000 mph we
are moving as we speak.
That's 8600 miles every
minute.

A vast field of galaxies in various colors (blue, purple, orange) against a dark background. The galaxies are scattered across the frame, with some appearing as bright, distinct points and others as more diffuse, glowing structures. The colors range from deep blues and purples to bright oranges and yellows, suggesting different stages of star formation or different types of galaxies.

Let's not forget; the whole galaxy is moving in a circular movement through space at the speed of 252,000 mph

Because of the the movement through space , Our Milky Way galaxy will collide with the Andromeda galaxy in about 4 Billion years.

All combined, that's makes a total speed of 12,800 miles per minute or 213.3 miles per second that we are moving through space toward our death.

The Purpose of Creation

24. ... We will go down,
for there is space there,
and we will take of these
materials, and we will
make an earth whereon
these (spirits) may dwell;

(Abr. 2)

Why does Humanity Exist?

25. And we will prove them herewith, to see if they will do all things whatsoever the Lord their God shall command them;

Abr 3:25

16. Wherefore, it is lawful that he should have one wife, and they twain shall be one flesh, and all this that the earth might answer the end of its creation;

17. And that it might be filled with the measure of man, (spirits) according to his creation before the world was made.

D&C 49

Scriptural World View

What is our purpose of Life?

24 ...therefore this life became a probationary state; a time to prepare to meet God; a time to prepare for that endless state which has been spoken of by us, which is after the resurrection of the dead.

Alma 12:24

4. And thus we see, that there was a time granted unto man to repent, yea, a probationary time, a time to repent and serve God.

Alma 42:4

One of God's greatest miracles is the conception, growth and birth of a physical body for a spirit to inhabit and animate. A body that will be unique and unlike any other person, yet, each created in the 'image of God'.

One needs only to look into the face of a baby to see the miracle of life, when two cells divide and multiply **47.2 trillion times**. These cells contain instructions within them for some to turn into different organs for different purposes to sustain life, from its inside to the outside. From brain to bone, blood to skin, eyes to teeth and lungs to provide the oxygen needed to every cell. This miracle of cell division takes place so that in nine months a person is born that looks like a combination of the parents and ancestors and is now able to live on a planet traveling through space 12,800 miles per minute or 213.3 miles per second Psalms 139.

Each time you look in the mirror you look at a miracle an individual that cannot be duplicated and never will be duplicated. Your birth is proof of the genius of God that explodes into you and only you. A body to house a spirit that when combined has the potential to become a God.

Mother Teresa said that 'a nation that will kill their posterity (created in the image of God) has lost its soul'.

If your personal genetic code was written out in long hand it would be a 3 billion word tome. The Bible alone has 783,137 words. The genetic code of each individual would be a library the size of 4000 printed Bibles. Each person that ever lived or is now living on the earth would have their own genetic library that would differ from every other person. The Secular World View would call that 'chance'

Every Dispensation ends because those who have and know the gospel, having entered into covenants with God; reject the light and truth for a **Secular World View** and the morals of the 'natural man'

The end of the Dispensation of Moses is seen and outlined in the Book of Jeremiah. The Abomination of Judah that brings the Desolation by Babylon initiates the *Dispensation of Lehi*.

The desolation ending each Dispensation revolves around sacred ordinances and covenants that are linked to the endowments of power and the covenant aspect of the temple that would further the plan of salvation and happiness.

A Dispensation of Lehi

The Abomination

*Abortion , pre-term and post-term is connected to the abominations that cause the desolations of nations. At the time of Noah it states that the people: “**hate their own blood**” choosing to worship the false gods of prosperity wealth and convenience.*

Jeremiah 32:35

35. And they built the high places of Baal, which are in the valley of the son of Hinnom, to **cause their sons and their daughters to pass through the fire** unto Molech; which I commanded them not, **neither came it into my mind, that they should do this abomination, to cause Judah to sin.**

4. Trust ye not in lying words, saying, The temple of the Lord, The temple of the Lord, The temple of the Lord, are these. *(all is well in Zion, yea Zion prospers)*

8. Behold, ye trust in lying words, that cannot profit.

9. Will ye steal, murder, and commit adultery, and swear falsely, and burn incense unto Baal, and walk after other gods whom ye know not;

10. And come and stand before me in this house, which is called by my name, and say, We are delivered to do all these abominations?

Jeremiah 7

A Dispensation of Lehi

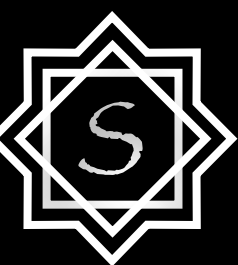

The Abomination

11. Is this house, which is called by my name, become a den of robbers in your eyes? Behold, even I have seen it, saith the Lord.

12. But go ye now unto my place which was in Shiloh, where I set my name at the first, and see what I did to it for the wickedness of my people Israel. ([Zarahemla, Far West, Adam-ondi-Ahman, Jackson County](#))

30. For the children of Judah have done evil in my sight, saith the Lord: they have set their abominations in the house which is called by my name, to pollute it.
