

The Anthropocentric Cosmology

The Miracle of Creation

Scriptural World View vs Secular World View

Isa 45:18.

18. For thus saith **the Lord that created the heavens**; God himself that **formed the earth** and made it; he hath established it, he created it not in vain, *he formed it to be inhabited*: I am the Lord; and there is none else.

1 Nephi 17:36

36. Behold, **the Lord hath created the earth that it should be inhabited**; and he hath *created his children that they should possess it*.

Every 24 hours planet earth makes a 360 degree spin at **1,000 mph**

At the same time the earth is moving through space around the sun at the speed of **67,000 mph**.

Like Superman, that is faster than a bullet, and 87 times faster than the speed of sound. On a day you do nothing but set on your porch, you have traveled 1.6 million miles through space. Now that's a miracle.

Even when your doing nothing
your moving pretty fast

Our solar system is traveling through space in one arm of the rotating Milky Way galaxy which is rotating at a speed of **448,000 mph**. Even at this rate it would take 230 million years to make one rotation.

So here is our speed
through space within our
galaxy: 1,000 mph
rotation + 67,000 mph
around the sun and
448,000 mph in the
galaxy that's at the slow
speed of 516,000 mph we
are moving as we speak.
That's 8600 miles every
minute.

A vast field of galaxies, primarily blue and purple, set against a dark cosmic background. The galaxies are scattered across the frame, with some appearing as bright, distinct points and others as more diffuse, glowing structures. The colors range from deep blues to vibrant purples, suggesting different stages of star formation or specific types of galaxies. The overall scene is a rich, multi-colored tapestry of celestial bodies.

Let's not forget; the whole galaxy is moving in a circular movement through space at the speed of 252,000 mph

Because of the the movement through space , Our Milky Way galaxy will collide with the Andromeda galaxy in about 4 Billion years.

All combined, that's makes a total speed of 12,800 miles per minute or 213.3 miles per second that we are moving through space toward our death.

The Purpose of Creation

24. ... We will go down,
for there is space there,
and we will take of these
materials, and we will
**make an earth whereon
these (spirits) may dwell;**

(Abr. 3)

Why does Humanity Exist?

25. And we will prove them herewith, to see if they will do all things whatsoever the Lord their God shall command them;

Abr 3:25

16. Wherefore, it is lawful that he should have one wife, and they twain shall be one flesh, and all this that the earth might answer the end of its creation;

17. And that it might be filled with the measure of man, (spirits) according to his creation before the world was made.

D&C 49

Scriptural World View

What is our purpose of Life?

24 ...therefore this life became a probationary state; a time to prepare to meet God; a time to prepare for that endless state which has been spoken of by us, which is after the resurrection of the dead.

Alma 12:24

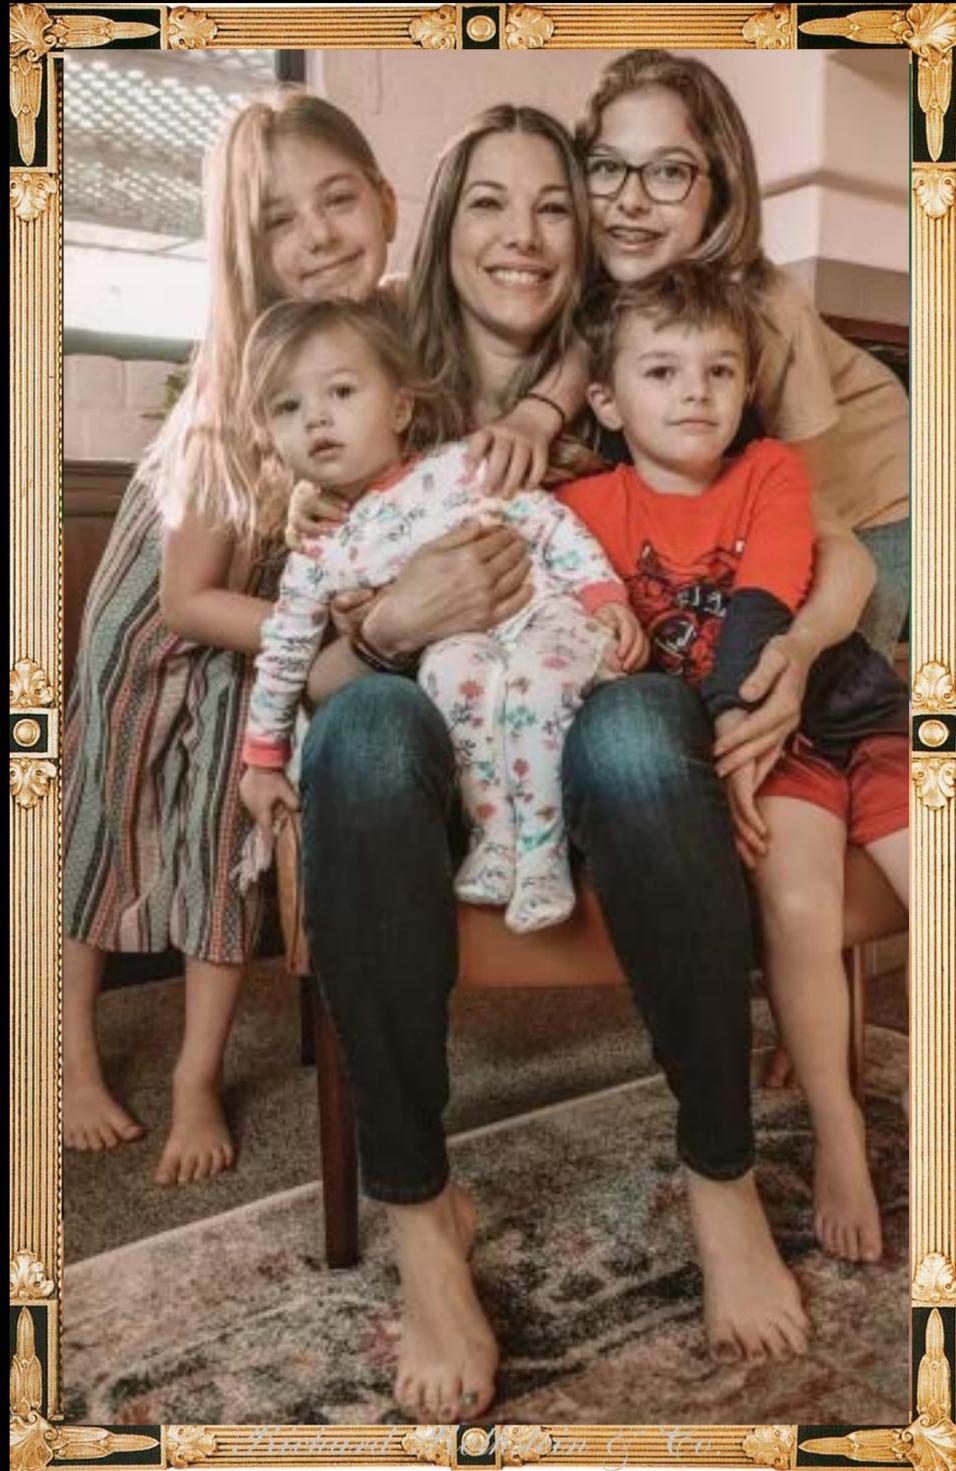

4. And thus we see, that there was a time granted unto man to repent, yea, a probationary time, a time to repent and serve God.

Alma 42:4

One of Gods greatest miracles is the conception, growth and birth of a physical body for a spirit to inhabit and animate. A body that will be unique and unlike any other person, yet, each created in the 'image of God'.

One needs only to look into the face of a baby to see the miracle of life, when two cells divide and multiply **47.2 trillion times**. These cells contain instructions within them for some to turn into different organs for different purposes to sustain life, from its inside to the outside. From brain to bone, blood to skin, eyes to teeth and lungs to provide the oxygen needed to every cell. This miracle of cell division takes place so that in nine months a person is born that looks like a combination of the parents and ancestors and is now able to live on a planet traveling through space 12,800 miles per minute or 213.3 miles per second Psalms 139.

Each time you look in the mirror you look at a miracle an individual that cannot be duplicated and never will be duplicated. Your birth is proof of the genius of God that explodes into you and only you. A body to house a spirit that when combined has the potential to become a God.

Mother Teresa said that ‘a nation that will kill their posterity (created in the image of God) has lost its soul’.

If your personal genetic code was written out in long hand it would be a 3 billion word tome. The Bible alone has 783,137 words. The genetic code of each individual would be a library the size of 4000 printed Bibles. Each person that ever lived or is now living on the earth would have their own genetic library that would differ from every other person. The Secular World View would call that 'chance'

Every Dispensation ends because those who have and know the gospel, having entered into covenants with God; reject the light and truth for a **Secular World View** and the morals of the 'natural man'

The end of the Dispensation of Moses is seen and outlined in the Book of Jeremiah. The Abomination of Judah that brings the Desolation by Babylon initiates the *Dispensation of Lehi*.

The desolation ending each Dispensation revolves around sacred ordinances and covenants that are linked to the endowments of power and the covenant aspect of the temple that would further the plan of salvation and happiness.

A Dispensation of Lehi

The Abomination

*Abortion , pre-term and post-term is connected to the abominations that cause the desolations of nations. At the time of Noah it states that the people: “**hate their own blood**” choosing to worship the false gods of prosperity wealth and convenience.*

Jeremiah 32:35

35. And they built the high places of Baal, which are in the valley of the son of Hinnom, to **cause their sons and their daughters to pass through the fire** unto Molech; which I commanded them not, **neither came it into my mind, that they should do this abomination, to cause Judah to sin.**

4. Trust ye not in lying words, saying, The temple of the Lord, The temple of the Lord, The temple of the Lord, are these. *(all is well in Zion, yea Zion prospers)*

8. Behold, ye trust in lying words, that cannot profit.

9. Will ye steal, murder, and commit adultery, and swear falsely, and burn incense unto Baal, and walk after other gods whom ye know not;

10. And come and stand before me in this house, which is called by my name, and say, We are delivered to do all these abominations?

Jeremiah 7

A Dispensation of Lehi

The Abomination

11. Is this house, which is called by my name, become a den of robbers in your eyes? Behold, even I have seen it, saith the Lord.

12. But go ye now unto my place which was in Shiloh, where I set my name at the first, and see what I did to it for the wickedness of my people Israel. ([Zarahemla, Far West, Adam-ondi-Ahman, Jackson County](#))

30. For the children of Judah have done evil in my sight, saith the Lord: they have set their abominations in the house which is called by my name, to pollute it.

Jeremiah 7
